### STREET AND STORMWATER DEPARTMENT REPORT FOR THE MONTH OF SEPTEMBER, 2015

#### 1. **STORMWATER PERMIT ACTIVITIES**

- a) Twenty three (23) stormwater pollution prevention plan inspections were conducted at permitted construction sites.
- b) Seven (7) Stormwater Individual Lot Permits were issued for new residential construction projects.
- c) Inspected thirty eight (38) public and private post-construction water quality practices installed throughout Zionsville. These practices remove pollutants from stormwater runoff preventing waste materials from reaching local waterways and require periodic inspection and maintenance to ensure proper function.
- d) Working with the SullivanMunce Cultural Center and local artists on a rain barrel design and public art program. Eight (8) barrels have been donated by the Street and Stormwater Department and once decorated, will be put on public display at local businesses in October and then auctioned-off at the upcoming Do It Again Recycled Art Market on November 7<sup>th</sup>.

#### 2. **STORMWATER PROJECTS AND DRAINAGE**

- a) Obtaining quotes from contractors to repair a collapsed storm sewer end section in the Raintree Place subdivision. The work area is located in a ravine behind area homes and requires special equipment to access and complete the repair.

#### 3. **ADA/SECTION 504 COMPLIANCE**

The ADA Transition Plan has been completed and is included on the October Town Council meeting agenda for consideration and adoption.

#### 4. **FORD RD. ROUNDABOUT**

Substantial completion is expected on or about Friday, October 9<sup>th</sup>. No significant issues have been experienced during the varied traffic patterns during construction.

5. **106<sup>th</sup> St. Improvement Project/Lids Entrance**

This project is substantially complete.

6. **BLOOR LANE PATHWAY**

Design work continues based on a plan that will attempt to provide the desired 8' pathway within 10' of the existing edge of pavement as requested by the residents along the project. It is expected that preliminary design will be ready for the next meeting with property owners mid-October.

7. **PAVEMENT EVALUATION**

USI Consultants, Inc. has completed the evaluation of road pavement on all public streets in the urban service district and is processing the data. This will be a very valuable tool and information to set the stage for future years' pavement rehabilitation projects and routine maintenance.

8. **2015 ROAD REHAB PROJECT**

This project is expected to begin October 2<sup>nd</sup>, and be substantially complete by the end of November. No specific schedule has been developed, as the work is spread out over a wide area of town. The contractor will notify any affected residents of any significant disruptions.

Street and pathway segments or portions included for repairs to varying degrees this year include:

- Round Ct.
- Turkeyfoot Ave. from Mulberry St. to Temple Ave.
- CR 600 S./Cruse Rd. from CR 950 S. to Ford Rd.
- CR 500 S. east of CR 800 E.
- CR 400 S. east of CR 800 E.
- CR 800 E. between CR 400 S. to CR 550 S.
- Pathway along the west side of Ford Rd. along the Hunters Glen apartments
- Phillips Place
- Colony Way
- Huntington Woods Rd.
- Huntington Woods Pt.
- Sullivan's Ridge

9. **2015 LEAF COLLECTION**

The annual curbside leaf collection for residents in the urban service district will begin on October 19<sup>th</sup> and run through the first week of December, pending the onset of snowy winter weather at which time the service will be suspended or terminated to repurpose the necessary equipment.

10. **FALL 2015 BRUSH AND LEAF COLLECTION**

The fall round of brush and limb collection for residents in the urban service is on-going and will end on October 9<sup>th</sup>. This information has been posted to the Town's web-site, published in the Zionsville Times Sentinel and was printed on recent sewer bills.

# PUBLIC NOTICE

## Fall 2015 Brush & Limb Collection

The Town of Zionsville's Street & Stormwater Department will be providing curbside Brush & Limb Collection **beginning Monday, September 28, 2015**. This service provides Zionsville residents in the Urban district a means to dispose of certain pruning and yard debris. We cannot guarantee the collection unless your items are out curbside by 7:30 a.m. on your specific, designated pick-up day.

The limit on size is 6 inches in diameter and smaller. Grass clippings, leaves, decorative grass, vines, stumps, root balls, construction lumber, firewood, and wooden fencing material will **NOT** be collected. Bundling is not required. Limbs up to 6 inches in diameter may be left intact but should be no larger than can be managed by one person.
